

### **3.12 The most significant activities in the popularisation of R&D&I and communication with the public**

#### **List of popularization activities**

##### **Activities for grammar school and high school students**

Scholarly lectures and excursions for high schools (315 altogether)

Excursions and lectures for high school teachers (22 altogether)

Kids club for grammar school children (5 altogether)

Suburban daily camp for grammar school children (5 altogether)

Summer camp for grammar school children (5 altogether)

Expert assembly for motivated high school students (16 altogether, supported by the ScienceZoom project)

Open day for public, the researchers night for public (10 altogether)

Researchers club for high school students (supported by the ScienceZoom project)

Supervision of high school research projects (SOČ).

##### **Researchers are regularly invited to national media (Czech TV and radio) to popularize science:**

Papua-New Guinea: Two worlds, 6 parts, Czech TV in collaboration with Dept. of Zoology, FSci, USB

<https://www.youtube.com/watch?v=6x3moaHZbOE&t=10s>

Czech TV: Portrait of Prof. Julius Lukeš (Department of Parasitology) in the prestigious TV documents GEN (=Gallery of the Nation's Elite) (22. 10. 2017)

Czech TV: Interview about immune systems with Assoc. Prof. Tomáš Doležal (Department of Molecular Biology and Genetics) (21. 5. 2018)

Centre for Polar Ecology in TV, radio, and press (numerous appearances)

Czech TV: Onsite report from Neolithic research in North Makedonia (Laboratory of Archaeobotany and Palaeoecology) (26. 7. 2017)

Czech Broadcast (Český rozhlas): Interview with Assoc. Prof. Jaromír Beneš (Laboratory of Archaeobotany and Palaeoecology) about the origins of agriculture (16. 1. 2016)

Czech Broadcast (Český rozhlas): Information about a book by Jaromír Beneš a Tereza Majerovičová (Laboratory of Archaeobotany and Palaeoecology) about ancient agriculture in Makedonia: (22. 9. 2018)

Czech Broadcast (Český rozhlas): Interview with Jaromír Beneš (Laboratory of Archaeobotany and Palaeoecology) about origins of agriculture (29. 9. 2018)

##### **Exhibition**

Department of Molecular Biology and Genetics Annual Scientific Image Competition – images presented in Prague in exhibition of scientific images for public
