

Informed consent of the user – a USB employee regarding compliance with internal regulations and the USB Code of operation

I, as signed below:

Date of Birth: **11.11.1111**

Have been made aware of and undertake that:

- I shall observe the internal regulations of the USB and the internal regulations of the Faculty, where I am employed (hereinafter referred to as Faculty) or other components of the USB, which I will cooperate with (hereinafter referred to as "Component") - as published on the website <http://www.jcu.cz> and on the websites of individual Faculties and Components of the USB;
- I shall observe the **valid Measures and Decisions of the Rector**, the Dean of the Faculty or the Director of the relevant USB Component (as published on the web http://www.jcu.cz/documents/rectors_proceedings and on the websites of individual Faculties and other USB Components);
- I shall comply with the applicable **valid regulations published within the Information Security Management System (ISMS)** - available after logging in at <https://isms.jcu.cz/isms-dokumenty>) and, where required, confirm that I have read them;
- When using the services of the Academic Library of the University of South Bohemia, I shall abide by the **provisions of the Library Rules of the Academic Library of the USB** (<http://www.lib.jcu.cz/docs/ak-knihovni-rad.pdf>);
- When using the **services of the Internal Payment System (IPS)**, I shall comply with the provisions of the valid regulations (in particular the Rector's measures) regarding the operation of the IPS (these can be found at http://www.jcu.cz/documents/rectors_proceedings);
- **I shall settle all my obligations towards the USB** before the termination of my employment at the USB, in particular any obligations that would lead to the priority blocking of my IPS account shall I use one.

I am aware that the full text of this informed consent is available on the USB website along with other information at the following link:

https://www.jcu.cz/it_services (information is available after logging in).
