

SMART ARCHIVES: UNLOCKING KNOWLEDGE WITH AI

*AI-driven access to cultural
and archival heritage*

KreativEU Hackathon 2026

Join a unique event where technology meets culture! This hackathon aims to harness artificial intelligence to make archives, library collections, and museum holdings more accessible and engaging – transforming passive collections into interactive sources of knowledge.

March 9–13, 2026
University of South
Bohemia
in České Budějovice
CZECH REPUBLIC

Register now
