We support your trip.

We support your visit to a partner university from project funds, similar to the Erasmus+ programme. Communicative English is enough, and **ECTS credits are automatically recognised at USB.**

Every faculty finds its theme in KreativEU

The alliance connects nature, culture and people. From economics to healthcare, from fisheries to theology: every field finds partners here. Go once and see how many doors open.

"I really enjoyed the hackathon in Svishtov. We spent 24 hours building a cultural heritage app in an international team, and we won!"

student, Faculty of Economics ·
hackathon, Svishtov (Bulgaria)

"The seminar expanded my knowledge in fisheries and showed how the sea, cultural heritage and society are connected."

PhD student, Faculty of Fisheries ·
Walking Seminar, Greifswald (Germany)

"The preparatory visit led to an inter-faculty memorandum, and now we're preparing a Horizon project together."

staff member, Faculty of Education ·
preparatory visit, Camerino (Italy)
