10:40–11:00	Josine Uwihanganeye	University of South Bohemia, Faculty of Agriculture and Technology	Agroforestry Potential of Selected Native Tree Species in Rwanda	
11:00–11:20	Coffee Break			
11:20–11:40	Pacifique Ruberwa	University of South Bohemia, Faculty of Agriculture and Technology	Synthetic Agricultural Imagery for Bridging the Computer Vision Gap	

11:40–12:00	Vanessa Kornhäuserová	Trnava University, Slovakia	What an incomplete hoard can (and cannot) tell us	Online
12:00–12:20	Zuzana Jarůšková	Trnava University, Slovakia	Bronze Age Hoards as Evidence of a Sacred Landscape	
12:20–12:40	Tereza Ranná	University of South Bohemia, Faculty of Agriculture and Technology	Conserving Equine Genetic Resources: Lyophilization Improves Sperm DNA Preservation	
12:40–13:00	Emmanuel Onosimuan Aidelomon	University of South Bohemia, Faculty of Agriculture and Technology	Precision swine farming	
13:00–14:00	Lunch Break			

Thursday Afternoon (14:00–18:00, 11 presentations)

Time	Presenter	University Affiliation	Title	Online / On-site
14:00–14:20	Barbara Kesler	Opole University of Technology, Poland	How Technological and Artificial Intelligence Awareness Affect Perceived Job Automation Risk: Evidence from Polish Academic Youth	
14:20–14:40	Corina Elena Guta	Valahia University of Targoviste, Romania	HERITAGE AND IDENTITY IN ALICE IN WONDERLAND	Online
14:40–15:00	Bratu Dorel	Valahia University of Targoviste, Romania	Legal Paths to the Holocaust: Anti-Jewish Legislation in Romania and Upper Silesia, 1939-1942 – A Comparative Perspective	Online
15:00–15:20	Monika Křížová	University of South Bohemia, Faculty of Agriculture and Technology	Organosulfur compounds of onion	

15:20–15:40	Petra Horváthová	Trnava University, Slovakia	How Is the Socialist Past Visualized in Slovak History Textbooks?	
15:40–16:00	Sarah Martinville	Polytechnic University of Tomar, Portugal	Protecting Portuguese coastal heritage under climate change: towards integrated management strategies	Online
16:00–16:20	Coffee Break			
16:20–16:40	Noelia Priego Cecilla	Polytechnic University of Tomar, Portugal	Pre-Schematic Rock Art in the Iberian Peninsula: Bridging the Last Hunter-Gatherers and the dawn of Farming Societies	
16:40–17:00	Protogene Mbasabire	University of South Bohemia, Faculty of Agriculture and Technology	Remediation of Heavy Metal-Contaminated Soils Using Phosphate- Enriched Sewage Sludge Biochar	

17:00–17:20	Amobichukwu Obi	University of South Bohemia, Faculty of Agriculture and Technology	Resource-Efficient and Explainable Models for Real-Time Crop Monitoring	
17:20–17:40	Adrian Petre	Valahia University of Targoviste, Romania	The beginning of the Disarmament Conference and the Little Entente: Romania and Czechoslovakia (February-July 1932)	Online
17:40–18:00	Mangala Nissanka	University of South Bohemia, Faculty of Agriculture and Technology	Agronomic Performance and Yield Evaluation of 8 Beetroot (<i>Beta vulgaris</i> L.) Cultivars under Central European Field Conditions in the Czech Republic	
18:30	Informal networking at Kampa			

Friday Afternoon (14:00–18:00, 9 presentations)

Time	Presenter	University Affiliation	Title	Online / On-site
14:00–14:20	Elena-Adriana Ciocoiu	Valahia University of Targoviste, Romania	Runestones commissioned by women (725 - 1100)	Online
14:20–14:40	Kalimu Karimunda	University of South Bohemia, Faculty of Agriculture and Technology	Autonomous Robotic Platforms for Agricultural Image Data Pipeline: A Meta-Analysis	
14:40–15:00	Eva Klenotová	University of South Bohemia, Faculty of Agriculture and Technology	Effect of humic acids on soil	
15:00–15:20	Adam Ibrahim Raji	University of South Bohemia, Faculty of Agriculture and Technology	THE ROLE OF ORGANIC MATTER IN SOIL FERTILITY	

15:20–15:40	Hong Quan Nong	University of South Bohemia, Faculty of Agriculture and Technology	The role of awns and the flag leaf in the quality of organic winter wheat	
15:40–16:00	Coffee Break			
16:00–16:20	Alina Tudorache	Valahia University of Targoviste, Romania	CULTURAL HERITAGE IN GREAT EXPECTATIONS	Online
16:20–16:40	Javad Rashid Jafari	Adana Alparslan Türkeş Science and Technology University, Turkey	Nature-Inspired Adaptive Aerodynamic Design for Sustainable Energy Applications	Online
16:40–17:00	Nicole Sandra Umurungi	University of South Bohemia, Faculty of Agriculture and Technology	Deep Learning in Poultry Farming: Comparative Analysis of Computer Vision Models for Dead Chickens Detection	
17:00–17:20	Ioan Alexandru Vălu	Valahia University of Targoviste, Romania	Conversion in the Kings' Sagas	Online
17:20–18:00	Buffer & Closing
