Tips for more benefits for you

Small change can be more useful than you think

- Save with ČSOB Drobné – every card payment rewards you a few crowns, which can add up
- We will round up your card payments to the nearest CZK 20 and set them aside
- Once you reach CZK 300, the sum will be automatically added to your ČSOB Wealth Fund

Extend your warranty by 1 year

- You get one year more warranty for your purchased electronics or hobby tools when you pay with a credit rather than a debit card
- Goods purchased with a credit card will also be insured against breakage or theft for 6 months
- To give you peace of mind, we'll make sure the money is returned on time – free of charge

Pay with your ČSOB card and refuel cheaper

- At EuroOil stations, every litre of fuel is automatically discounted by 0.40 CZK if you fill up for at least CZK 300
