THE FACULTY

Ekonomická fakulta

EKONOMICKÁ FAKULTA

over **15** years of steady presence in the South Bohemian Region

more than **95** % of graduates find employment each year

**2** appealing degree programmes taught entirely in English

over **100** international students each year as part of courses in a foreign language

**17** countries of the world accept FEC USB students for study stays abroad

**100+** cooperating foreign universities

**1st** Fairtrade faculty in Central and Eastern Europe

---

**COUNTLESS** new knowledge and experiences for a lifetime...

## The USB Faculty of Economics trains experts in the following areas:

---

- management of companies and organisations
- financial management
- accounting
- applied informatics
- economic analysis
- public administration and the non-profit sector
- tourism

## Reasons to study at the USB Faculty of Economics:

---

- We are the first Fairtrade faculty in Central and Eastern Europe.
- We take social responsibility into account and focus on current issues.
- We cooperate with major companies from all over the Czech Republic and abroad.
- We offer opportunities for shadowing top managers or internships in firms and the Big Four audit companies.
- 95% of our graduates find employment in middle and senior management.
- We have a strong presence in the region's development – particularly in tourism, public administration, education or non-profit organisations.

The attained education is recognised by the Institute of Certification of the Union of Accountants (ICU) and the international Association of Chartered Certified Accountants (ACCA).

FEC USB develops modern forms of education that strengthen practical skills of graduates (project-based learning, students' involvement in science and research) and internationalisation (degree programmes in English and joint degree programmes with universities abroad).

### **A selection of cooperating universities:**

---

- Université de Bretagne Sud – France
- Georgia Southern University – USA
- Victoria University – Australia
- Kochi University – Japan
- Johannes Kepler Universität Linz – Austria
- University of Central Florida – USA
- Westsächsische Hochschule Zwickau – Germany
- Szent István University in Gödöllő – Hungary
